

# Which Crossroad are You At in Life?

**REACH:** *I have questions about life and God. I want a safe place to ask tough and troubling questions and to investigate the claims of Christ.*

**CONNECT:** *I am actively working through the implications of who Jesus is and what it means to enter into a vital personal relationship with Him.*

**GROW:** *I have entered into a personal relationship with Christ and want to mature, but I don't really know 'where to go from here.'*

**SERVE:** *I am a Jesus-follower beginning to live a committed Christian life. I know there's something more and I want to go to the next level.*

## Crossroads of Life

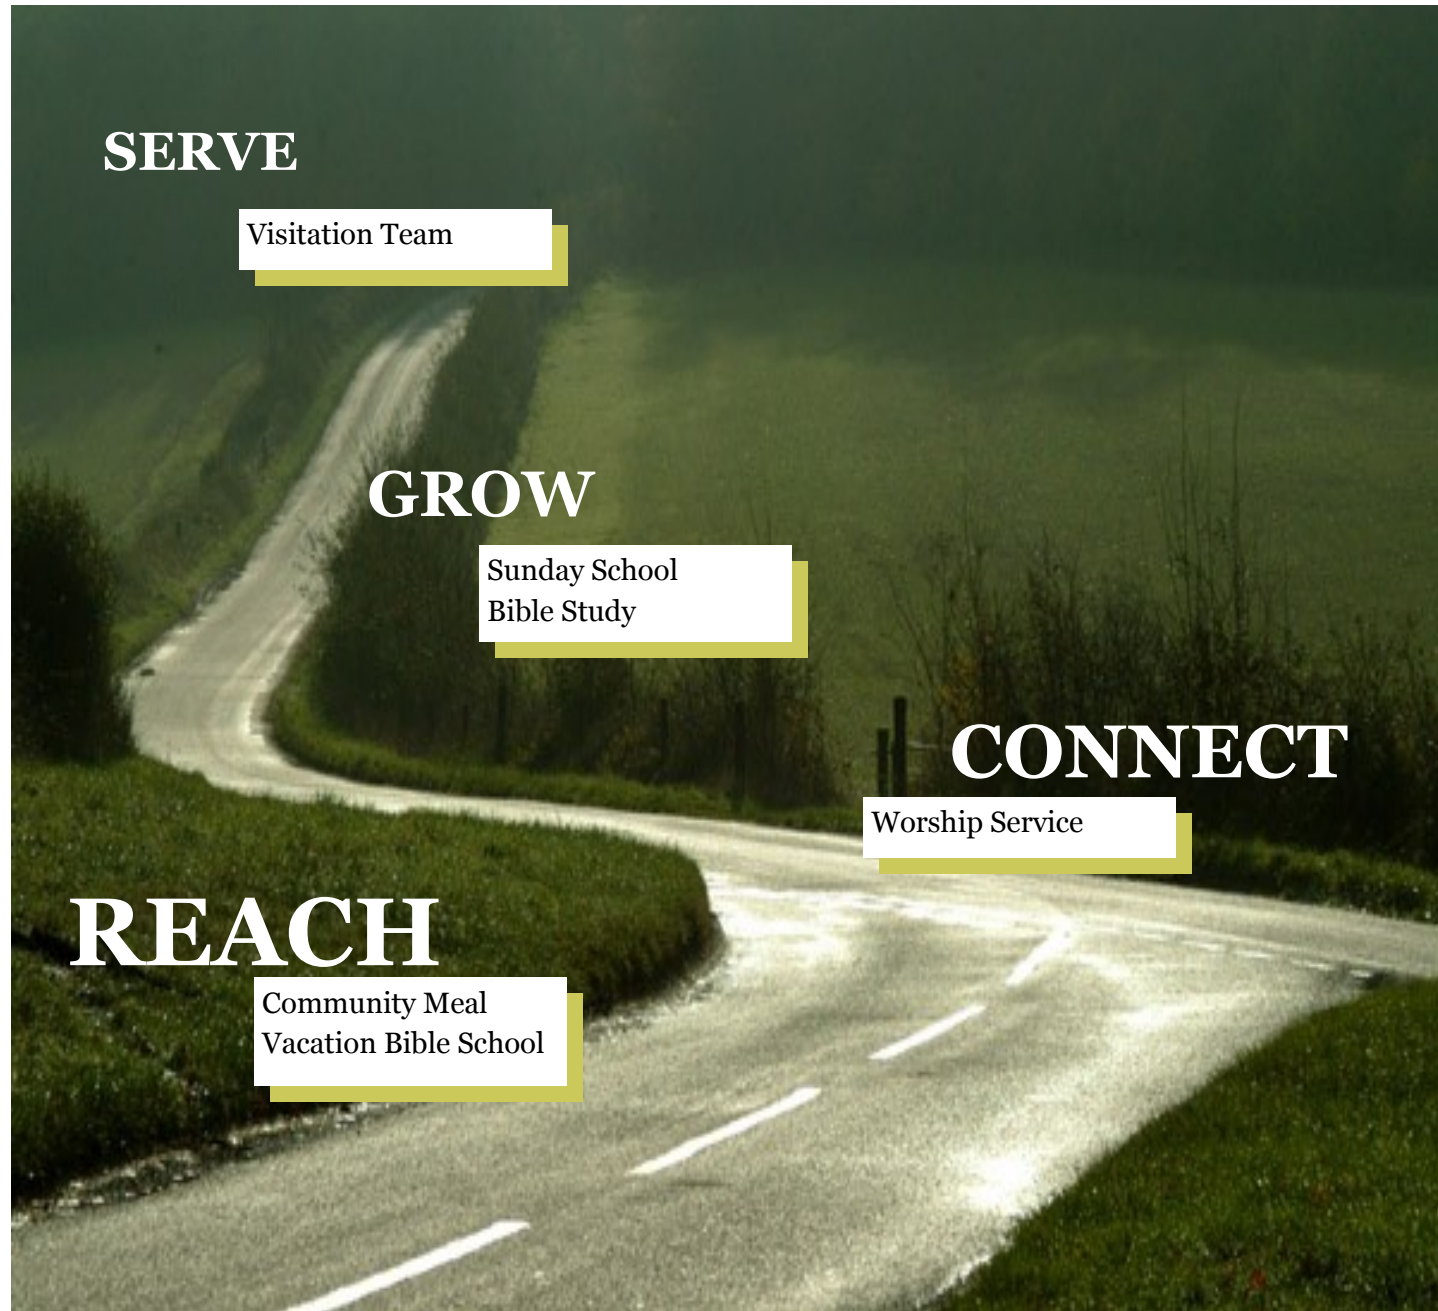

## Entering the Crossroads of Life

We are all in the crossroads of life, and finding direction can be hard at times. We all make choices in life, and making these choices is a life-long process. Similarly, spiritual transformation into Christlikeness is a life-long process— nobody gets transformed by “accident.”

We would like to welcome you to this journey, and we are here to help you on your journey through the Crossroad Connection Section. We encourage you to look at the “Which Crossroad are You At in Life?” page to see which crossroad you are currently at, and use this tool to help you in your life transformation.

As a quick summary of who we are, we are a Bible believing, Bible teaching church. We help people to REACH, CONNECT, GROW, and SERVE God in their lives. It’s that simple! Church should not be hard, and we firmly believe that. Please use this guide as a way to help you plug in to the life transformation process.

See you at the crossroads!
